FALL BALL

WWW.RESERVEAA.COM

RAA's website has been online for almost a year now. It came in handy during the season for numerous field schedule updates and occasional news postings. Please check out the site if you have not yet done so. There are several sets of pictures on the Photos page and more are on the way. E-mail Steve Reiner via the website to submit additions or provide material on a CD in person, if possible.

A WORD FROM SOME OF OUR MANAGERS ...

Once again, the Reserve 1 **15U team** was a force with a league's best record of 15-1.

A special congratulations goes out to the 15 year old girls who have been with me for 3 years. They have won three divisions and one GPGSL title, and have an overall record of 49-3. You will be missed, but my loss will be the 18U team's gain.

I would like to take this time to thank the players, parents, coaches, and Reserve AA for allowing me to coach this fine group of ladies. We played and practiced in the cold, rain, mud, heat, and sun. I hope you are as proud of them as I am. I hope that you all will return to Reserve AA again next year.

- **Jim Schindler**

Our **8U baseball team** had a tremendously successful season. We had an 8-5 record, mostly due to averaging over 15 runs per game. The best part, though, was seeing our players' baseball IQ increase as the season progressed. I was very proud of the way our team represented Reserve AA this year.

I would like to thank my coaches, parents (especially those that served as coaches when needed), the young Reserve umpires who did a fine job at our games, and everyone who helped us get the field and concessions ready for our games. I am looking forward to seeing these kids improve even more next year!

- **Steve Reiner**
